

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 7, 1996

SUBJECT: **HB 2279 - SB 2505**

This bill, if enacted, will provide that a substitute teacher who is a retired teacher is not required to continue his or her certification in order to work as a substitute teacher.

The fiscal impact from enactment of this bill is estimated to be minimal, since under present law there is no requirement that a substitute teacher be certificated.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is written in a cursive, flowing style.
